## Seniors Are Auctioning Yummy Cakes!

## Health & Safety @ MA

We are delighted to have most of our students back on campus, and we hope to keep it that way! Staff and students are

being diligent about **distancing, masking, and sanitizing**. We understand that stopping the spread of any germs requires a vigilant routine.

You will notice that our calendar includes the Madison Campus Church using our gym for services on Sabbath for a few months. Please know that the gym and restrooms are cleaned before and after their use. The church does not use the lunchroom or classrooms. The safety of our church members and our students is priority for both MA and MCC.

## Historical Marker Erected

When two young, visionary educators came South from Michigan to start a unique experiment in religious education, they settled on the Ferguson Farm off Larkin Springs Road in Madison.

The result was a school-sanitarium-farm combination that still fascinates, even though the college closed in 1964, and the Hospital Corporation of America bought out the sanitarium in 2004. Subdivisions now occupy the former farmland.

A historical marker commemorating this self-supporting Seventh-day Adventist enterprise was erected this week near the site along the Cumberland River where they found the spot, now 1201 Cheyenne Dr. in front of the Cumberland View Towers.

Shown in picture (left to right):
Ken Wetmore – Senior Pastor, Madison Campus Church
Kristin Fulton – Advancement Coordinator, Madison Academy
Albert Dittes – Madison Historian
Luis Reyes – Administrator, Cumberland View Towers

## Do Some Good! Here are Two Ways...

This Class Competition Food Drive promises much excitement on campus each year. Bring your cans and boxes of non-perishable foods to the religion classroom and watch the piles grow all week long. The treasure trove of goodness will be delivered to the Community Service / 403 Center to be used in their holiday gift baskets.

Check your pantry, add a little to your shopping cart, ask your neighbors, too. **We need veggies, beans, fruit, rice, and cereal.** The simple rules include:

- Non-perishable food only. Nothing fresh.
- Five (5) Raman noodle packages = 1 can.
- Five (5) cans = one standard box or bag of cereal or rice.
- Leave items in your class' pile and do not mess with other class piles.
- **Final Contest Deadline = Extended to Tuesday, November 24 at 3 PM.**

Ready... Set... GO!
