STUDENT EXPECTATIONS AND EMPLOYMENT COMMITMENT

By submitting the application materials, I, the student and my parent/guardian at Madison Academy, acknowledge that we wish to apply for student work-matching tuition assistance funds and that we:

(Initial each number)

Student Parent

	1. Must work on or off campus in order to qualify for the scholarship funding.
	2. Will be on time to work as long as it is within my power to do so. I will work all of the hours I am permitted to work by the school or my employer (if other than MA).
	3. Will commit all my earning (less attendance bonus) to my school account for as long as I am receiving financial support. ("Cash Day" receipted will receive the match.)
	4. Will, if I work off campus, furnish copies of my employee check stubs as documentation.
	5. Understand that students who work the ASSIST Program are not eligible for this assistance because their hourly-rate has already been matched and is therefore already significantly higher.
	6. Understand that matching funds are only applied to actual hours worked. If I do not work for ANY reason (illness, family situation, school trips) the missed hours are NOT matched.
	7. Understand that I must have a minimum GPA of 2.0, less than 25 attendance points, and less than 15 citizenship points in the previous quarter to qualify and must maintain these standards to continue the use of matching funds.
	8. Understand that I must not be late, absent, or leave early from work more than three times in a month without proper communication to the supervisor. This includes communication of school events. If attendance becomes an issue, the student will not qualify for a match that month and could lose the scholarship entirely.
