Verse of the Week

Yet a time is coming and has now come when the true worshipers will worship the Father in the Spirit and in truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in the Spirit and in truth. ~ John

See below for more information.

Praying for a Miracle

"Madison Monday" worship was extra-special this week because Mr. Lincoln Underwood came to share his story and thank the students for their prayers on his behalf. "God didn't need you," he said. "God didn't need the surgeons to heal me. But, **God let you be a part a miracle!**"

Lincoln Underwood had surgery in early January to remove a brain tumor. Our students signed a poster for him every time they prayed on the day of the surgery. Praise God for His healing power... and our students' choices to be His hands and feet.

We are looking for **Prayer Warriors** who are willing to pray for our students, for this campus, and for God's leading. We invite you to do that any day, any time, any where. If you are willing to email your prayers, they will be read to the students or posted for them to read.

Adults will be gathering in the Learning Commons on Monday through Friday, February 8-12 from 11 AM to 12 Noon to pray for students who are worshipping down the hall. Jackie Downs is coordinating the adult prayer time. Please join us!

Madison Campus Church welcomes all of us to **supper and fellowship Sunday through Friday evenings (Feb. 4-9) at 6 PM** , followed by worship at 6:45 PM (and 7 PM on Friday night). We finish **Sabbath evening with worship 4 PM** and supper at 5 PM. Come for the blessing!!!

23rd Annual Acrofest

Last weekend, our Acros attended the 23rd Acrofest at Highland Academy. Thursday evening and all day Friday are filled with clinics hosted by the Gym Masters from Southern Adventist University.

On Saturday evening, the teams from all over Kentucky-Tennessee Conference (and a team from NC), performed for a PACKED gymnasium.

One of the highlights of the evening is "Pinning the Beam." **Conner Collins and his tossing team pinned the beam on the FIRST toss** . He joins several other MA Alumni in the Pin the Beam Hall of Fame: Symone Stewart, Lucas Monroe, Abbye Waterhouse.

Teacher Tutoring Time

We are trying something new!

For a week now our teachers are available for tutoring in the morning before classes. We begin at **7:20 AM** in the Learning Commons with a collective prayer for all students and staff in the building. **Following prayer, teachers open their classrooms for instructional support, supervised practice, and content questions** .

Teachers who have rooms in the gym learning complex are in the Learning Commons to be more accessible.

Our students' success is the reason Madison Academy exists. This additional time provides another opportunity for students to intentionally own their learning and engage with their teachers. Please note that some teachers are also available during 8th period when many students have study hall. Most teachers are accessible during lunch period and after school. **ALL** of us want to see our students succeed. Come meet with us!!!

We will evaluate the use of this tutoring time after Spring Break. Let us know what you think!

Student Volunteers Needed

The Little Ones Want YOU!

Let it SNOW!

Our allotted Snow Days have been used already! Yikes! No worries, though! We have a solution.

On **Sabbath, February 3** , at **11:20 AM** , Madison Campus Church is having their first Children's Church! They are in need of Team Leaders and assistants who will be the face of Jesus to kids at MCC. Sign-up by January 26 at the front desk or email [Mrs. Kimberly King](mailto:Mrs.KimberlyKing) .

This service opportunity is a great way to build your resume (especially for those who want to work at ICC) and yet another way to log some service learning hours.

You know those small rectangular shaped objects our students carry around? These devices (both the ipad and personal cell phone) can be used to connect with teachers and classmates in real time.

We do not want to be here on Sundays or later in May. So, just in case there is another "snowpocalypse," **we will hold class online for a few hours each day** . *(Now I'm hoping for snow day so we can try out the new plan!)*

Hang up your uniform and instead... wear nice jeans (**no holes, no skinny style**) every Friday. Have your \$1 for the Student Council Fundraiser ready when you come to school. For another \$1, wear an MA class or athletic T-shirt. These funds help pay for schoolwide student council sponsored events.

Every Thursday night the **Plaza Mexican Grill** donates a percentage of its proceeds to various classroom funds at Madison Campus Elementary. This restaurant offers great variety and several delicious vegetarian options...but the best part is just hanging out with friends while investing in Adventist education. Just **mention MCE at the register** . Join us at 900 Conference Drive in Goodlettsville.
