The 11th Hour on the 11th Day of the 11th Month

Veterans Day was originally known as Armistice Day and it commemorated the ending of the First World War. The cease-fire that ended the hostilities of the “Great War” is celebrated on November 11; or more specifically – the “eleventh day of the eleventh month at the eleventh hour.” President Wilson first declared the holiday in 1919.

In 1953, after World War II and the Korean War, a store owner in Kansas led a movement to expand the holiday to honor “all veterans” not just those from WWI. President Eisenhower signed a bill into law in 1954 changing Armistice Day to Veterans Day, thus expanding its purpose. Now the day would be set aside to honor all those who are actively serving or have served in one of the branches of the United States Armed Forces.

Madison Academy and Madison Campus Elementary consider it a privilege and a responsibility to honor the men and women who so nobly serve our great country. This year's event was a safe but effective way to say "THANK YOU" to our Veterans and the families the Armed Forces. Enjoy the photos that follow and the link to the FBLive.

Master Sergeant Leon Crayton, U.S.A.F., who served as a Tuskegee Airman for 31 years, attended the parade from his home in Alabama. Proud son, Maurice drove in the parade with his phone on Facetime...because that is how we honor

those who defend us.

More great pictures from this event are posted the end of the newsletter.

Health & Safety @ MA

We have greatly missed the students who have been quarantined or have chosen to stay virtual for their safety or that of others.

As we plan for returning, please remember that the whole point of **social distancing, make wearing, and hand sanitizing, is to protect ourselves from asymptomatic carriers.** We love that you love each other, but stopping the spread of germs requires a vigilant routine.

And The Virtual Winner Is!

A Big Thank You to everyone who texted Mrs. Fulton you creative Virtual picture! They were great! Judges casted their vote and the winner is: Marvin Perez! He gets a \$25 gift card from wherever he choses!

Do Some Good! Here are Two Ways...

CANSHUNGER

11/16-11/20

This Class Competition Food Drive promises much excitement on campus each year. Bring your cans and boxes of non-perishable foods to the religion classroom and watch the piles grow all week long. The treasure trove of goodness will be delivered to the Community Service / 403 Center to be used in their holiday gift baskets.

Check your pantry, add a little to your shopping cart, ask your neighbors, too. **We need veggies, beans, fruit, rice, and cereal.** The simple rules include:

- Non-perishable food only. Nothing fresh.
- Five (5) Raman noodle packages = 1 can.
- Five (5) cans = one standard box or bag of cereal or rice.
- Leave items in your class' pile and do not mess with other class piles.
- Final Contest Deadline = Friday, November 20 at 2 PM. Nothing after that time counts for Activity Points!

Ready... Set... GO!

Underneath that, 'MADISON CAMPUS ELEMENTARY' is in a smaller, bold, black font, followed by '7TH GRADE FUNDRAISER' in the largest, bold, black font. The central text reads 'Order By Friday November 13' and 'Delivery Dates Nov 30-Dec12'. Below this, a call to action says 'ORDER ONLINE OR WITH A 7TH GRADE STUDENT! HELP US RAISE MONEY FOR OUR LYNCH, KENTUCKY MISSION TRIP'.
