## TUITION

Tuition does not cover the full cost of operating Madison Academy. Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. We pass that savings on to our students regardless of religious affiliation.

Month: \$1,050      Year: \$10,500

## SCHOLARSHIPS

**Freshmen Scholarships** are awarded based on multiple factors in middle school. Half of the scholarship is dispersed each semester and posted to the student statement in December and May of the 9<sup>th</sup> grade year.

A **Summer Camp Staff Scholarship** or **Literature Evangelist Scholarship** is awarded to students who worked at Indian Creek or in KYTN's Youth Summit program. The scholarship equals one-half of the earned funds received up to \$500.

## TUITION ASSISTANCE

**Work-Matching Tuition Assistance (WMTA)** - Madison Academy's tuition assistance funds come from a variety of individuals and foundations. All assistance is a "match" to the student's paycheck and contingent on the family's payment. Needs-based financial assistance is awarded annually. See the business office or website for an application and deadline.

**Heritage Scholarship** - This special sponsorship grant is designed to support students with additional tuition funds beyond the traditional WMTA. The request process includes the WMTA application and additional documents.

**Church Assistance** - Some churches provide tuition assistance to eligible members. Please contact your church pastor or treasurer for information.

## WORK EXPERIENCE

A typical student earns *an average* of \$120/month working on campus. The employee must be 14 years of age and enrolled. MA annually provides families the opportunity of voluntarily assigning some or all of the students' earning directly to the tuition account. Note that activities can interrupt work schedules, and therefore affect payroll and WMTA.

## FINANCIAL POLICIES

**Registration Process** – Registration is not complete until the first month's tuition and the entrance fee have been paid.

**Billing Procedures** – For your convenience, the annual tuition charge is divided into ten installments and billed August through May. The monthly installment plan is designed to help parents spread the cost of tuition over ten months and does not signify the cost of education per month. No refunds will be made for a partial month upon a student's withdrawal. A monthly statement will be mailed or emailed to the responsible party by the 5th day of the month.

**Tuition and any applied fees are due on the 15<sup>th</sup> of each month. A late fee of \$25 per student may be charged and any discounts and/or tuition assistance matching funds will be forfeited if payment is not made by the end of each month.** A history of checks returned for insufficient funds may result in a request that payments be made in cash or money order. Families with a Work Match Scholarship and/or a history of past due payments may be required to enroll in an automatic payment plan.

**Delinquent Accounts** – Students with past due accounts may not be allowed to take exams and will not receive transcripts. Participation in extracurricular activities involving additional costs may be forfeited until the account is paid in full or satisfactory arrangements have been made. Students with accounts 60 days past due may be asked to withdraw until the account is current. Seniors will not be allowed to take final exams, or receive a diploma or transcript unless the account is paid in full. Siblings of graduates must not have a past due balance. Accounts must be paid in full in order for the student to enter school the following year. The Finance Advisory must approve any exceptions to this policy.
